

### **What to Bring for your Child's Cubby**

Each child will have their own cubby in their classroom. We ask that you pack items in a shoe size box or plastic bin. Typical measurements are 33-35 centimeters in length, and 19 centimeters wide and 10 centimeters high. Below is a list of items we ask that every child has in their box:

- Two to three change of clothes
- Extra underwear's if potty trained
- Sunscreen, and diaper ointment (if needed) with appropriate forms
- Pack of diapers (anywhere from 20 to 30 we can store)
- Small stuffed animal or lovely for naptime if needed
- Pacifier is needed for naptime only

As a reminder, we ask that all of your child's items are label with first and last name.
